

## **ANNUAL FINANCIAL STATEMENTS**

YEAR ENDED 30 JUNE 2013

## Independent Auditor's Report To the members of the Tiwi Island Shire Council

We have audited the accompanying financial report of Tiwi Island Shire Council (the "Council"), which comprises the statement of financial position as at 30 June 2013, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory explanation and the Accountable Officer's certification.

#### Accountable Officer's responsibility for the Financial Report

The Accountable Officer of the Council is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the Local Government Act and Regulations 2008, and for such internal controls as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, we consider internal controls relevant to the Council's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Accountable Officer of the Council, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independence

We are independent of the Council, and have met the independence requirements of Australian professional ethical pronouncements.

## **Opinion**

In our opinion the financial report presents fairly, in all material respects, the financial position of the Tiwi Island Shire Council as at 30 June 2013, and of its financial performance and cash flows for the year then ended in accordance with Australian Accounting Standards and the Local Government Act and Regulations 2008.

### CHIEF EXECUTIVE OFFICER'S CERTIFICATE

- I, Alan Hudson, the Chief Executive Officer of the Tiwi Islands Shire Council, certify that the Annual Financial Statements:
  - (a) have been, to the best of my knowledge, information and belief, properly drawn up in accordance with all applicable Australian Accounting Standards, the local Government Act 2008 and the Local Government (Accounting) Regulations (with the exception of Those where compliance with standards has been qualified) for the year ended 30 June 2013; and
  - (b) are in accordance with the accounting and other records of the Council.

The above Statement of Cash Flow should be read in conjunction with the accompanying notes.

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

### 1 Summary of Accounting Policies

#### **General Information**

This note sets out the principal accounting policies adopted in the preparation of the financial statements by Tiwi Islands Shire Council.

The Local Government Reporting Entity Tiwi Islands Shire Council is established under the Northern Territory Local Government Act and has its principal place of business at Puti Drive, Wurrumiyanga Community, Bathurst Island.

The purpose of this financial report is to provide information about the cash flows, financial performance and position of the Shire, and accountability of the resources entrusted to it.

### **Basis of Accounting**

#### Statement of Compliance

The financial report is a general purpose financial report, which has been prepared to comply with applicable Australian Accounting Standards and Interpretations, the requirements of the Local Government Act and Regulations, and other mandatory professional reporting.

Accounting Standards include Australian equivalents to International Financial Reporting Standards ('A-IFRS') as applicable to for not-for-profit entities.

Adoption of new and revised accounting standards

In the current year the Council has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are relevant to its operations and effective for the current annual reporting period.

Future Australian Accounting Standard Requirements

The following new standards, amendments to standards or interpretations have been issued by the Australian Accounting Standards Board but are effective for future reporting periods. It is estimated that the impact of adopting these pronouncements when effective will have no material financial impact on future reporting periods.

|   | Title   | Effective date |
|---|---|----------------|
| • | AASB 9: Financial Instruments (December 2010)   | 1 January 2015 |
| • | AASB 13: Fair Value Measurement   | 1 January 2013 |
| • | AASB 127: Separate Financial Statements   | 1 January 2013 |
| • | AASB 128: Investment in Associates and Joint Ventures   |                |
| • | AASB 2012-2: Amendments to Australian Accounting Standards – Disclosures – Offsetting Financial Assets and Financial Liabilities [AASB 7] | 1 January 2013 |
| • | AASB 2012-3: Amendments to Australian Accounting Standards – Offsetting Financial Assets and Financial Liabilities [AASB 132]             | 1 January 2014 |
| • | AASB 2012-5: Amendments to Australian Accounting Standards arising from Annual improvements [AASB 9]                                      | 1 January 2013 |

No accounting standard has been adopted earlier than the application date as stated in the standard.

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

#### 1. Summary of Accounting Policies continued

### **Significant Accounting Policies**

Accounting policies are selected and applied in a manner which ensures that the resulting financial information satisfies the concepts of relevance and reliability. The accounting policies adopted for the reporting period are consistent with those of the previous reporting period except where otherwise indicated.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

### Basis of Preparation

The financial report has been prepared on the basis of historical cost. Cost is based on the fair value of the consideration given in the exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

Critical Accounting Judgements and Key Sources of Estimation Uncertainty

In the application of the accounting policies, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

#### Revenue Recognition

Revenue is measured at the fair value of consideration received or receivable.

Revenue is measured on major income categories as follows:

#### (i) Rates

Rates are an enforceable debt linked to rateable property. As such, Council recognises Rates Income at the time of levving, or earlier upon receipt of rates paid in advance.

The rating period and reporting period for the Council are the same and accordingly all rates levied for the year are recognised as revenue within the period.

Uncollected rates are recognised as receivables. A provision is recognised when collection in full is no longer probable.

(ii) Grants, donations and other contributions

Grants, donations and other contributions are recognised as revenue when the Council obtains control over, or the right to receive, the assets, it is probable that future economic benefits comprising the asset will flow to the Council, and the amount can be reliably measured.

Control over granted and contributed assets is normally obtained upon their receipt (or acquittal), and is valued at their fair value at the date of transfer.

Where grants, contributions and donations recognised as revenue during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in these notes.

(iii) Disposal of property, plant and equipment

The gain or loss on disposal of an asset is determined when control of the asset has passed from the Council and can be measured reliably.

### (iv) Interest revenue

Interest is recognised as it accrues, when it is probable that the future economic benefits will flow to the Council and it can be measured reliably.

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

#### 1. Summary of Accounting Policies continued

#### (v) Commercial and contract revenue

Council undertakes activities of a commercial, or quasi commercial nature such as maintenance contracts, building construction, and operation of cash businesses. Commercial income is recognised as it accrues, when it is probable that the future economic benefits will flow to the Council and it can be measured reliably.

#### Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value.

#### Financial Assets

#### (i) Loans and Receivables

Council recognises financial assets as loans and other receivables. The classification depends on the purpose for which the financial instrument was acquired and is determined at initial recognition and reevaluated at reporting date. Financial assets are measured at fair value, net of transaction costs except for financial assets classified as at fair value through profit and loss which are initially measured at fair value.

#### (ii) Effective Interest Method

The effective interest method is a method of calculating the amortised cost of a financial asset and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees on points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial asset, or, where appropriate, a shorter period. Income is recognised on an effective interest rate basis for debt instruments.

### (iii) Impairment of financial assets

Financial assets are evaluated at each balance sheet date to determine any evidence of impairment. Financial assets are impaired where there is objective evidence that as a result of one or more events that occurred after the initial recognition of the financial assets the estimated future cash flows of the investment have been impacted. For financial assets carried at amortised cost, the amount of the impairment is the difference between the asset's carrying amount and the present value of the estimated future cash flows, discounted at the original effective interest rate.

#### (iv) De-recognition of financial assets

The Council derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Council neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset the Council recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Council retains substantially all the risks and rewards of ownership of a transferred financial asset, the Council continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

#### Inventory

Inventory is stated at the lower of cost and net realisable value.

#### Leased Assets

Leases are classified as finance leases when the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the leased asset to the lessee. All other leases are classified as operating leases.

#### As lessee

Assets held under finance leases are initially recognised at their fair value or, if lower, at amounts equal to the present value of the minimum lease payments, each determined at the inception of the lease. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

#### 1. Summary of Accounting Policies continued

Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income, unless they are directly attributable to the qualifying assets, in which case they are capitalised in accordance with the company's general policy on borrowing costs. Contingent rentals are recognised as expenses in the periods in which they are incurred.

Finance leased assets are depreciated on a straight line basis over the estimated useful life of the asset.

Operating lease payments are recognised as expense on a straight line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

#### Plant and Equipment

Acquisition of Plant, and Equipment is recognised at cost when control of the asset passes to the Council. Cost includes expenditure that is directly attributable to the acquisition. Cost related to plant, equipment and infrastructure gifted, donated or granted to the Council is the fair value of the asset, plus costs directly attributable to the acquisition.

#### Land

The Aboriginal Land Rights Act establishes native title over land in the Tiwi Islands. In the absence of clear title no land assets are recognised in the Council's Statement of Financial Position.

#### Land under Roads

Council has elected not to value or recognise as an asset land under roads acquired prior to 1 July 2008 in accordance with the election available under AASB 1051 Land under Roads.

#### **Property**

In 2006 the Land Rights Act was amended to enable township leasing. Leasing arrangements currently exist for Wurrumiyanga, Milikapiti and Wurankuwu it is envisaged Pirlangimpi community will adopt township leasing in due course. It is proposed that in future periods Council will lease its major operating buildings from the Office of Township Leasing. Buildings and infrastructure assets are recognised in the Financial Statements as prescribed assets. This is due to the status Tiwi Islands Shire Council has under 'Right of Occupation' from section 6.2 of the Head Lease agreement and the fact that under general property law it is the Executive Director of Township leasing who has the leasehold ownership interest in the land.

On formation of the Tiwi Islands Shire Council, Tiwi Islands Local Government Fixed Assets were written off as part of the gain on restructure as these could not be reliably recognised or measured. The Council has deemed prudent that these assets should be recognised in some form as the Council has responsibility to insure and manage these assets without clear title.

Building and Infrastructure assets were recognised in the 2010 Financial Statements as prescribed assets at their 30 June 2010 re-valued amount. Revised valuations were provided in the fixed asset register where net values are recognised at 30 June 2010. Building and Infrastructure assets commenced depreciating, at their re-valued amounts, on 1 July 2010. The Shire does not believe that there is any significant increment or decrement to the valuation carried out in 2010. Hence the property has been valued at 2010 valuation amounts and depreciated accordingly. Revaluations are performed with sufficient regularity such as carrying amounts do not differ materially from those that would be determined using fair value at the end of each reporting period.

This revaluation excludes contingent assets where funding was originally provided to Tiwi Islands Shire Council's former entities. TISC does not currently control those asset(s).

Revaluation increments arising from recognising assets at valuation are offset against one another within the class of asset. Net revaluation increments in the carrying amounts of these assets are recognised directly in accumulated equity under the heading of prescribed asset reserve to the extent that the increment reverses a decrement that was previously recognised as an expense in the net profit or loss in respect of the same class of assets. No amounts were recognised in the accounts arising from previous revaluations so all increments are recognised in revaluation reserve.

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

#### 1. Summary of Accounting Policies continued

Depreciation

All property, plant and equipment, with the exception of land, is systematically depreciated over its useful life in a manner which reflects the consumption of the service potential embodied in those assets from the time that the item of property plant and equipment is available for use.

Depreciation is provided for on a straight line method using lives which are reviewed each reporting period.

Major depreciation periods are;

Buildings/ Other Structures 10 - 20 Years
Plant and Equipment 1 - 10 Years
Motor Vehicles 3 - 5 Years

#### Valuation

The Shire recognises assets over the value of \$5,000.

#### Impairment of Assets

Assets that have an indefinite useful life are not subject to amortisation and are tested for impairment annually. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

#### Financial Liabilities

#### (i) Payables

These amounts represent liabilities for goods and services provided to Council prior to the end of the financial year which remain unpaid. The amounts are unsecured and usually paid within thirty days of recognition.

## (ii) Other Financial Liabilities

Other financial liabilities are initially measured at fair value, net of transaction costs. Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts the estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

#### (iii) Employee benefits

Provision is made for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

### Employee benefits expected to be settled within 12 months:

Provisions in respect of employee benefits expected to be settled within 12 months are measured at their nominal values using the remuneration rate expected to apply at the time of settlement.

### Employee benefits not expected to be settled within 12 months:

Provisions made in respect of employee benefits which are not expected to be settled within 12 months are measured at the present value of the estimated future cash flows to be made by the entity in respect of services provided by the employees up to reporting date.

## (iv) Superannuation

The Council contributes to its employees to a defined contribution superannuation plan (Local Government Superannuation Scheme).

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

#### 1. Summary of Accounting Policies continued

#### (v) Unexpended Grant Funds

Grant funding has been treated in the accounts according to the provisions of AASB 1004 Contributions. Where funds are provided on the condition that the Council is to make a reciprocal transfer of economic benefits, and that transfer has not occurred prior to the reporting date, a liability is recognised as at the reporting date in respect of such amounts

### **Budget Information**

Note 2(a) provides budget information of revenues and expenditure of each of the major activities of the Council.

#### **Taxation**

Tiwi Islands Shire Council is tax exempt under Sec 50-25 of the Income Tax Assessment Act 1997, being a local governing body.

#### **Provisions**

Provisions are recognised when the Council has a present obligation (legal or constructive) as a result of a past event, it is probable that the Council will be required to settle the obligation, and reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

#### Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

i) where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense;

or

ii) for receivables and payables which are recognised inclusive of GST, the net amount recoverable from, or payable to, the taxation authority is included as part of receivables or payables. Cash flows are included in the Statement of Cash Flows on a gross basis. The GST component of cash flows arising from investing and financing activities, which is recoverable from or payable to the taxation authority, is classified as operating cash flows.

#### Rounding

Unless otherwise stated, amounts in the financial reports have been rounded to the nearest dollar and are presented in full dollars. All amounts are expressed in Australian dollars.

#### Comparatives

Where relevant, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

### **2b Component Functions**

The activities relating to the Shire functions reported on in the Note 2(a) are as follows:

#### **GENERAL PUBLIC SERVICES**

#### **Executive and Legislative Functions**

Administration, operation and support of executive and legislative functions and all elements associated with Corporate governance.

#### **Financial and Fiscal Affairs**

Administration of Council's finances and compliance with legislative provisions of Local Government (Accounting) Regulations.

# General Public Services - including General Administration, Corporate Services/Community Services/ Works & Infrastructure, Other and Office Personnel Maintenance

Administration, support, regulation, research, operation of general public services including insurance and Natural Disaster relief where applicable.

#### **PUBLIC ORDER & SAFETY**

Fire protection, local emergency services, control of animals and impounding, control of public places, control of signs, boarding and advertising, community policing and probationary matters

#### **ECONOMIC AFFAIRS**

General economic, agriculture and forestry, fuel and energy, other labour and employment affairs, transport and other industries, saleyards and tourism.

#### **ENVIRONMENTAL PROTECTION**

Waste management, pollution reduction, protection of biodiversity and landscape and protection and remediation of soil, groundwater and surface water.

#### HOUSING AND COMMUNITY AMENITIES

Housing, housing and community development, water supply and street lighting.

#### **HEALTH**

Well baby clinics, dental health services and home nursing services, nursing and convalescent home services, immunisation, infant nutrition and child health, and family planning services.

### RECREATION, CULTURE AND RELIGION

Facilities and venues, recreation parks and reserves, cultural and religious services museums and libraries

#### **EDUCATION**

Administration, inspection, support, operation, etc of education programs and services.

#### **SOCIAL PROTECTION**

Outlays on day care services, family day care, occasional care and outside schools hour care, aged services, shelter protection, drug and alcohol treatment programs. Also includes relief from man-made disasters.

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

### 2(c) Fundamental Errors

Tiwi Islands Shire Council's 2012 Financial data was restated to take into account changes in treatment under AASB1004 where previously restricted cash was incorrectly treated as grant Liability

To comply with AASB1004 Income received in advance for operational funding is recognised based on control. Whilst in our opinion the treatment of this funding misrepresents the true Financial Position.

Restated financial information for the year ended 30 June 2012 is presented below.

#### a Trade receivables and allowance for doubtful debts

Trade receivables are non-interest bearing and are generally on 30 day terms. The ageing of trade receivables at 30 June 2013 is detailed below:

| Aged Analysis                      | 2013      | 2012      |
|------------------------------------|-----------|-----------|
|                                    | \$        | \$        |
| Not past due                       | 635,264   | 839,001   |
| Past due 31-60 days                | 32,281    | 72,836    |
| Past due 61-90 days                | 28,962    | 129,028   |
| Past due 91-days                   | 736,275   | 1,260,267 |
| Total Gross Trade Receivables 2013 | 1,432,782 | 2,301,132 |

#### b Impaired receivables

As at 30 June 2013, receivables with a nominal value of \$219,665 were impaired (2012: \$203,371). Receivables are assessed for impairment by ascertaining the recoverability of the amounts, and are provided for when there is objective evidence indicating that the debt may not be fully recoverable to the Council. The ageing of the impaired receivables are as follows:

| Aged Analysis   |   | 2013    | 2012      |
|---|---|---------|-----------|
|   |   | \$      | \$        |
| Not past due  |   | -       | -         |
| Past due 31-60 days                                     |   | -       | -         |
| Past due 61-90 days                                     |   | -       | -         |
| Past due 91-days  |   | 219,665 | 203,371   |
| Movement in the provision for impairment are as follows |   |         |           |
| Balance at beginning of year                            | - | 203,371 | - 312,728 |
| Provision for impairment recognised during the year     |   | 100,977 | 152,764   |
| Reversal of provision for impairment                    | - | 117,271 | - 43,407  |
| Balance at end of year                                  | _ | 219,665 | - 203,371 |

As at 30 June 2013, current receivables of the Council with a nominal value of \$577,853 (2012: \$1,258,670) were past due but not impaired. These relate to a number of customers for whom there is no history of default

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

#### 15a Financial Risk Exposure and Management

The main risk the Council is exposed to through its financial instruments are liquidity risk, credit risk, market risk and interest rate risk.

#### Liquidity Risk

Liquidity risk is the risk that the council will not be able to meet its obligations as and when they fall due. The Council manages it liquidity risk by monitoring cash flows and also through its budget management process. Due to the nature of its business, the Council is able to estimate its income and cash flows based on grant funding timeframes (16a).

#### Credit Risk

Credit risk is the risk of financial loss to the Council if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Exposure to credit risk is monitored by management on an ongoing basis. The maximum exposure to credit risk, excluding the value of any collateral or other security, is limited to the total carrying value of financial assets, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements. The Council does not have any material credit risk exposure to any single debtor or group of debtors under financial instruments entered into by the Council. The majority Council's debtors are government owned and funded entities and credit risk of Council is low.

#### Market Risk

Market risk is the risk that changes in market prices, such as interest rates and equity prices will affect the Council's income or the value of its holdings of financial instruments. Exposure to market risk is closely monitored by the Council. The Council does not have any material market risk.

#### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates. The council manages it Interest rate risk by maintaining floating rate cash and floating rate debt. For further details on interest rate risk refer to note 15(b).

#### Sensitivity analysis

At balance date, the Council had the following assets exposed to variable interest rate risk:

|                       | 2013<br>\$ | 2012<br>\$ |
|-----------------------|------------|------------|
| Financial Assets      |            |            |
| Cash at bank          | 5,230,423  | 7,339,519  |
| Investment            |            | -          |
|                       | 5,230,423  | 7,339,519  |
| Financial Liabilities | _          | _          |
|                       |            | _          |

At balance sheet date Council has not entered into any loans or other financial commitments that present exposure to interest rate risk. Credit cards are the only short term financial instrument used by Council and balances are cleared at month end. The table below details the interest rate sensitivity analysis of the Council at balance date, holding all other variables constant. A 100 basis point change is deemed to be possible change and is used when reporting interest rate risk.

## 15b Terms, Conditions and Accounting Policies

The accounting policies, including the terms and conditions of each class of financial asset, financial liability and equity instrument, both recognised and unrecognised at balance date are as follows:

| Recognised<br>Financial<br>Instruments | Balance<br>Sheet<br>Note | Accounting Policies  | Terms and Conditions   |  |  |  |
|--|--------------------------|--|--|--|--|--|
| (i) Financial Assets                   |                          |  |  |  |  |  |
| Receivables -<br>Trade                 | 6                        | Trade Receivables are carried at nominal amounts due less any provision for doubtful debts. A provision for doubtful debts is recognised when collection of the full nominal amount is no longer probable. | Credit Sales are on a 30 day terms.  |  |  |  |
| Term Deposits                          | 5                        | Term Deposits are stated at the lower cost and net realisable value. Interest is recognised in the profit and loss when earned.  | Term Deposits have effective interest rates of between 2.5 and 3.25 percent. |  |  |  |
| (ii) Financial Liabilities             |                          |  |  |  |  |  |
| Trade Creditors                        | 9                        | Liabilities are recognised for accounts to be paid in the future for goods and services received, whether or not billed to the organisation.   | Trade Liabilities are normally settled on 30 day terms.                      |  |  |  |

## Notes to and forming part of the Financial Statements for the year ended 30 June 2013

#### 16 Related party transactions

#### a Responsible Persons

Names of person holding the position of a Responsible Person at the Council at any time during the year are:

CouncillorsLynette De SantisWokai BourkeBarry PuruntatameriGawin TipilouraEmmanuel RioliAndrew Tipungwuti

Pirrawayingi Puruntatameri

Peter Rioli John Naden Leslie Tungutalum Crystal Johnson Brian Tipungwuti

Chief Executive Officer Alan Hudson

### b Remuneration of Responsible Persons

The aggregate compensation made to responsible persons and other members of key management personnel is set out below:

2013 2012 \$ \$
Short term employee benefits 203,365 649,869
Post employment benefits Termination benefits -

- c No retirement benefits have been made by the Council to a Responsible Person
- **d** No loans have been made, guaranteed or secured by the Council to a Responsible Person during the reporting year 2012/13.
- **e** No transactions other than remuneration payment or reimbursement of approved expenses were entered into by Council with Responsible Persons, or Related Parties of such Responsible Persons during the reporting year 2012/13.

### f Investment in Councilbiz

CouncilBiz was incorporated as a Local Government subsidiary on 10 June 2008. Members of CouncilBiz include the Local Government Association of the Northern Territory and eight shire councils, including Tiwi Islands Shire Council. CouncilBiz provides IT services to the councils. Upon the incorporation of CouncilBiz, the Council made an initial funding contribution to CouncilBiz of \$50,000. Under the terms and conditions of CouncilBiz's constitution, the debts and liabilities of CouncilBiz are guaranteed by the members in equal shares or on the basis of the formula agreed by the members. Upon the dissolution of CouncilBiz, the amount that remains after such dissolution and the settlement of all debts and liabilities shall be transferred to another organisation with a similar purpose as agreed to by the members and which has rules prohibiting the distribution of assets and income to its members. As Council will not realise any returns from its funding contribution to CouncilBiz, Council expensed the \$50,000 when it was incurred.

#### g Contingent liabilities arising from interest in joint venture

Under the terms and conditions of the Constitution of CouncilBiz, Council and other members have guaranteed the debts and liabilities of CouncilBiz. As at 30 June 2013, the amount of the obligation cannot be measured with sufficient reliability, and has not been recognised in the accounts.
